Good morning, everyone! I'm Amelia from Class 731, here with you this Motivational Monday from the SEAL Team!

Today is National Strawberry Shortcake Day, a day dedicated to celebrating a classic dessert made with strawberries and whipped cream. While strawberry shortcake is sweet, it can also remind us of an important lesson about school. Just as different ingredients come together to make a great dessert, students, teachers, and staff all work together to make our school a successful and welcoming place. Remember that every effort you make, whether it's studying, helping a classmate, or participating in class, adds something valuable to our school community. Keep working hard, stay positive, and enjoy the rewards that come from dedication and teamwork.

Like Anne Frank, the affirmation of the day is, "I matter."

Thanks for listening and have a Mellow Monday 😊
