

November 27, 2023

Good morning! It's Elly from 851 and I'm here this Motivational Monday on behalf of the S.E.A.L Team.

We hope you had a wonderful Thanksgiving break filled with joy, gratitude, and quality time with family and friends. It's great to have you all back, energized and ready to tackle the last week of November.

This is a critical time in the school year, and in order to succeed, we must not only focus on our academic objectives, but also promote kindness and respect for one another. Negativity and mistreatment have no place in our school. Let's make a collective effort to uplift and support one another. By fostering a positive and inclusive environment, we can ensure that everyone has the opportunity to thrive academically and personally. Together, we can make this post-Thanksgiving period a time of growth and achievement.

Thanks for listening have a Morale-Boosting Monday 😊
