Good morning, IS 201! I'm Aila from Class 713, here with you this Thoughtful Thursday on behalf of the SEAL Team!

It's hard to believe that the school year is almost over! It feels like just yesterday we were starting a new year, meeting new classmates, and getting used to new routines. Since then, we've learned so much, made new friends, and created many great memories together.

As we get ready for summer, there are only two more days left of school. Let's make the most of them by staying positive, showing kindness, and finishing the year strong. Take a moment to be proud of everything you've accomplished this year, big or small.

Thank you to all of our teachers and staff for helping us learn and grow, and thank you to all the students for making this year special. We hope everyone has a safe, fun, and relaxing summer break.

Like Anne Frank, the affirmation of the day is, "I believe in a better future."

Thanks for listening and have a Thankful Thursday 😊
